Dear 8th Grade Student & Parents,

As our future Saints prepare to make the transition to Bishop Dwenger High School, it is an exciting time, full of great expectations of things to come. It is our hope that as a member of the Class of 2026, you are looking forward to being a Dwenger Saint, something that thousands of prior students have been blessed to experience. The Holy Spirit is ever present in our school, and we look forward to welcoming you to the Dwenger family.

The application process for the 2022-2023 school year will be online! This will offer convenience for our families and a rollover of information in subsequent years. It will also allow you to choose your FACTS payment plan. Please make note of the timeline inside this brochure, especially *the due date that is crucial* in the application/enrollment process.

Our mission is to meet the spiritual, academic and social needs of our students, as well as provide each of them with opportunities to participate in, and value, service to others. Students will have many opportunities to grow in their faith, be challenged in the classroom and become involved in extra-curricular clubs and activities. The expectations at Bishop Dwenger remain high, making a Bishop Dwenger diploma priceless!

A virtual tour is available on our website, but if your 8th grader or your family would like a campus tour, please contact Cindy Johnson, Admissions Coordinator, at cjohnson@bishopdwenger.com or by phone at (260) 496-4703. She would be happy to schedule a day for a visit. Cindy can also answer any questions you may have regarding the application. When emailing her use "BDHS Enrollment" as the subject line.

Sincerely,

 Jason Schiffli
 Principal
