PSAT and Pre-ACT Score Reports Distributed to Underclassmen

Score reports for the PSAT and the PreACT have been distributed to the underclassmen. (Freshmen did not take the Pre-Act.) Please ask to see your student's reports. In addition to reviewing the reports, juniors have been given instructions for creating online accounts with both the SAT (College Board) and ACT. They will use these accounts throughout the rest of their high school careers to register for exams and view scores.

It is highly recommended that juniors take at least one administration of both the SAT and ACT by the end of July. All juniors will take the SAT at Bishop Dwenger on Thursday, March 13. There is no fee for this administration of the SAT, and students do not need to register beforehand.

Students are encouraged to register for one administration of the ACT on their own. The ACT is offered at various high schools on the Saturdays listed below. The April ACT will be offered at Snider High School, so this would be a good time to test. Juniors are also welcome to take an additional SAT on their own. Test dates and registration deadlines are listed below. If you have any questions or need assistance, please contact your student's school counselor.

FAFSA - Financial Aid for College-Bound Seniors

Every year, a lot of financial aid goes unclaimed because families think they will not qualify to receive need-based aid. Therefore, the Indiana Department of Education is asking the families of all graduating seniors in the class of 2025 to complete the 2025-26 Free Application for Federal Student Aid (FAFSA). Need-based financial aid includes loans, grants, and work-based study. The official filing window for the 2025-26 FAFSA is now open, and it closes on April 15, 2025. (Please note that colleges may have earlier deadlines. Do your research.) FAFSA is submitted online and is available [here](#). FAFSA requires parent and student tax information from 2023.

To complete a 2025-26 FAFSA, you will need a student and a parent FSA ID, one for each. (If the parent already has an FSA ID from filing the FAFSA for an older sibling, that FSA ID may be used.) Create these [here](#). Watch [this video](#) to Create your FSA IDs. Once you have your FSA IDs you are ready to complete the [FAFSA](#). It is recommended you complete your FAFSA as early as possible, so your student can receive full financial aid consideration and receive award letters from colleges in a timely manner. For more information to help you get ready for the 2025-26 FAFSA, [click here](#).

The 2025-26 FAFSA is designed to be shorter and more user-friendly than in previous years. However, some families may still need assistance with completing it. Below are local FAFSA completion events available to offer support.

- **Various Evenings | PFW FAFSA Completion Events**
PFW's Financial Aid Office offers help to all students in the community. You do not have to attend PFW to receive assistance. [Click here](#) for available dates and to register.
- **Monday, February 10 | 6:00 | Bishop Dwenger Library**
No registration needed. An overview of financial aid will be followed by a FAFSA completion event.
- **Sunday, February 23 | College Goal Sunday | 2:00-4:00 | Ivy Tech Community**

FAFSA Completion and Financial Aid Event for Senior Families

All students in the class of 2025 are asked to complete a Free Application for Federal Student Aid (FAFSA) for the 2025-26 school year. To assist with this process, the BDHS Guidance Department is hosting a FAFSA Completion and Financial Aid event for senior families on **Monday, February 10 at 6:00 in the library**. Parents will need to bring a laptop computer with them and have their FSA IDs (FAFSA login) created. Parents and students each have a portion of FAFSA to complete, so at least one parent and the student will need an FSA ID. [Click here](#) to create your FSA IDs. It takes several days for the FSA IDs to be processed, so do this as soon as possible.
