Questions? Please contact the BD Technology Department. Contact info below.

Bishop Dwenger High School 1:1 Initiative

Bishop Dwenger High School is committed to teaching and learning that brings digital resources, access, expertise, and skills to our school's historical success and development of its Twenty-First Century Learners. This blended environment allows for learning to occur beyond our school's walls and beyond the traditional day.

All new students for the 2022-2023 year will need to purchase a laptop with the specs (listed to the left) and *CAN BE PURCHASED ANYWHERE.* All devices MUST be imaged at A+ Computers for a fee of $125. All laptops must be brought to A+ Computers for imaging NO LATER THAN July 29th to have them ready for the first day of school.

Programs are included in Image

- **Office 365 Suite (*this includes, Word, Excel, PowerPoint, and Publisher*)**
- **Sophos Virus Endpoint Software**
- **Lightspeed Web filtering (*filter service for Bishop Dwenger Network only*)**
- **Lockdown Browser (locks down browser for on-line testing in CANVAS)**
- **TI-84 Calculator Software**
- **Windows 10 (*latest version, no "S" version*) or Windows 11**
- **Connection to RICOH SECURE student printer in Media Center (*code given to each student*)**
  **Programs are subject to change
